Case Study #2

Valavan Academy

Contexts:

Valavan Academy wanted to increase their online reach through educational video content. Their **previous videos lacked** consistency and engagement, which limited growth.

Actionables:

We created a clean and professional video editing style, added strong branding elements, and optimized pacing and visuals. This improved viewer engagement and helped their videos **reach 600K+ views** across platforms.

SHEM

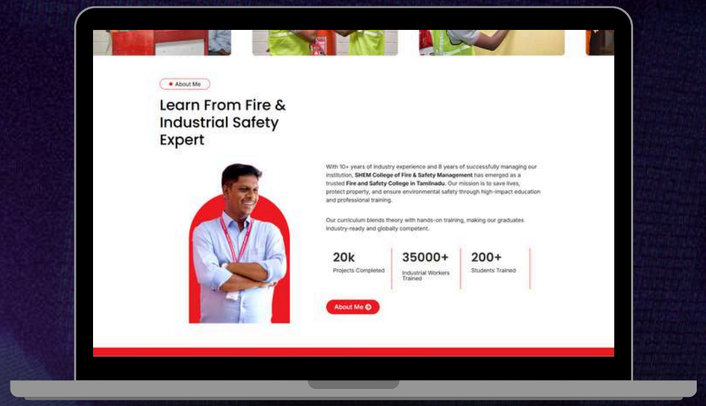
(College of Fire and Safety Management)

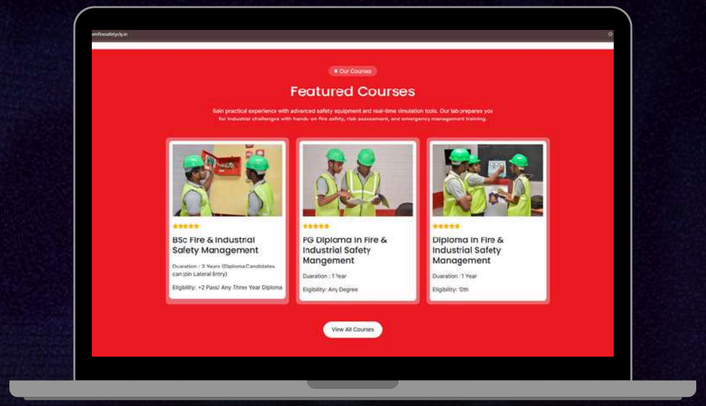
Contexts:

Shem Fire Safety College needed a **professional website** to clearly present their courses and institution details. Their previous online presence wasn’t effectively communicating credibility or generating student inquiries.

Actionables:

We designed a **clean, informative, and user-friendly website** that showcases courses, facilities, and admissions clearly. The new layout improves navigation, builds trust, and makes it easy for students to contact and apply.





Video Editing Services

We create engaging and high-quality videos that connect with your audience. From storytelling to seamless editing, every detail enhances your brand’s message. Our goal is to turn raw footage into impactful, professional visuals.

Case Study #2

Medi Buy

Contexts:

Medi Buy’s old logo didn’t reflect trust or professionalism for a healthcare brand. The identity **looked outdated** and was not fit for expansion. They approached us to rebuild their brand image to match their vision and credibility.

Actionables:

We redesigned Medi Buy’s logo to reflect trust, care, and clarity in the healthcare sector. The new identity gives the brand a more **professional and recognizable** look that supports its growth across multiple branches.
